July bookings

With Covid-19 restrictions we cannot have residential camps again this Summer. However, God willing, we will have great fun at the day camps ! It is fantastic to partner with The Surf Project for ten days of surf activities and Bible teaching on Rosstown beach at the start of July. In order to maintain the highest standards of care for children and leaders under Covid-19 guidelines it is essential that each child's place in the programme is booked well in advance using the Surf Project website for booking. You can book a place for all 5 days, or for just part of the week on a per-day basis. Each day's programme costs €15 per child.

Week 1 Juniors [Ages 8 - 11]

Week 2 Teens [Ages 12 - 18]

When you book you can choose the 1 pm. slot (24 places in pods of 8) or 2 pm. slot (24 places in pods of 8) each day. The 1 pm. programme will

commence with sign-in by parents/guardians. Wetsuits will be provided but if you have your own then come ready to surf and it will speed things up ! Water will be made available but bring your own snack to eat after the surf. After the half-hour group time with Bible teaching the 1 pm. slot camp will finish at 3 pm. with collection & sign-out by parents, followed by changing from wetsuits back to dry clothing (with help from parents/guardians if necessary!). The 2 pm slot will finish at 4 pm.

Further Information - You will find further details of what to bring and a Covid-19 safety policy on The Surf Project's website or at www.cefsligo.com

Booking commences at 12 noon, 31st May 2021

Book early to have the best chance of getting a place !
