Youth Challenge is organised by Sligo Area CEF, and is suitable for all of secondary-school age. When Covid-19 restrictions are not in effect it is held in our home as it is a neutral, informal, and enjoyable setting. The typical programme is from 8 pm to 10:30 pm, and includes discussion, games, singing, prayer, Bible teaching and food. Youth Challenge is non-denominational. . . we welcome youth from all backgrounds as we believe that God loves all people and wants all to grow in faith. Over the years Youth Challenge has had on average 20 youth attending every fortnight. Recently the numbers have increased to 30+ as we have tailored the focus on two age groups - Junior Youth Challenge for 1st to 3rd Years, and Senior Youth Challenge for 4th to 6th Years. Youth Challenge hopes to equip the youth for their futures with the sure hope and knowledge of God's eternal love in their lives, and with a foundation that prepares them for any challenges they may face. We allow them to express themselves through music, singing, games, activities and occasional outings over the year, and there's a channel for leadership development in camps that we run. We have a series of Biblical teaching through the year that strengthens their faith and helps to answer practical life questions.

During Covid-19 restrictions suitable alternative events will be organised eg. Outdoor activities. There will be a cost for some of these but where possible the activities will be subsidised from CEF Sligo Area funds. Youth Challenge indoor meetings in our home, or in other private venue are generally free of charge. Donations towards the food and equipment and regular outings are welcome but in no way compulsory. . . we are happy to serve and encourage, knowing that God will provide. If you would like to give a regular contribution then we would suggest €1 - a box for donations will be available, thanks.

When we are able to meet indoors Youth Challenge will normally be at Helen & Brian's house: Grange East, Knocknarea, Co. Sligo. The house is on the way to Knocknarea car park, from Sligo town. When driving from Sligo, past the Showgrounds, continue past St. Marys GAA club for 1.8 miles and the house is at the crossroads, on the left - or just use the Eircode finder for F91 W5Y8
